Do some of your clients need advice on their welfare rights and entitlements?
How can we link up to help meet the overall needs of those people?

Advice Forum

Weds 9th Sept 2.30pm - 4.30pm St Johns House, The Rock , Bury

Bury Community Advice Network is setting up an Advice Forum to:

- offer updates on rights and entitlements
- share good practice, through invited speakers
- identify existing resources to help frontline staff
- find ways of working together to help people facing hardship

Please give one example of: – who you help & how – other help they need that you'd ask about at an Advice Forum eg <i>We run self-help groups & most of our clients are on a low income. We guide people to CAB about their benefits but a list of trusted webpages would be helpful. Also, who can help locally with a complaint over disabled access?</i>
