

Teeth and your body

Why do we need teeth?

eating

talking

smiling

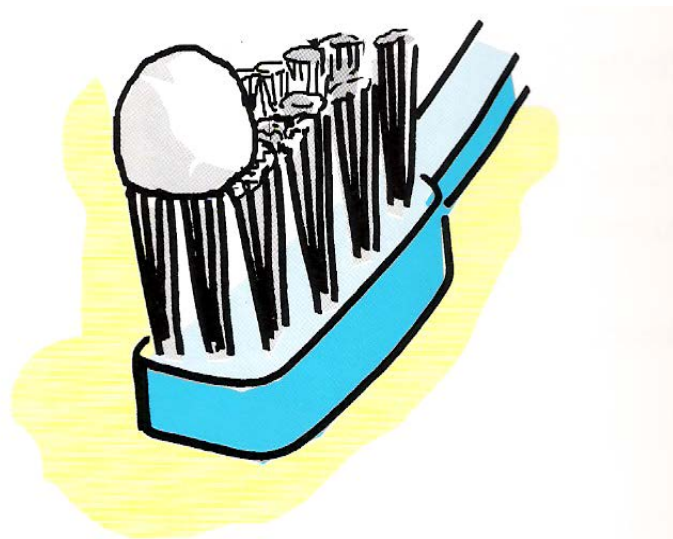

toothbrush

toothpaste

mirror

Let mummy or daddy
help you when you
brush

Some foods and drinks are not kind to our teeth and can make them go bad

Some foods and drinks are kind to our teeth and are healthy for your body

Visit the dentist

Waiting room

Dentist

Brush your
teeth twice
every day

Try to choose
healthy snacks
and drinks in
between meals

Ask mum or dad
to take you to
the dentist for a
check up

Look after
your teeth
they are
amazing !
