

Journey stick

Keep track of your travels

Journey stick

People in countries all over the world use journey sticks to tell the story of their travels.

Take different coloured wool or thread next time you head to the woods.

Find a short stick and attach objects to it with pieces of wool. Use a different colour for each sight, sound, feeling and smell.

And there you have it – your very own journey stick!

This is a great way to share your adventures with your friends!

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
