

# Books

## Language Activity:

- Open a page and ask your child "Where's the \_\_\_\_"
- Let your child point to lots of objects and then label these for them. This will help your child to learn these words by seeing the object and hearing what it is called.
- Count how many \_\_\_\_ are on a page.
- Talk about colours, simple shapes and sizes.

## Speech Activity:

- Point to different objects within the book and see if your child can make the sound, for example: Dog - "woof".
- Let your child point to an object. Talk to them about this word and what sound goes at the beginning.
- Practice producing these sounds together.
- Clap out the syllables for different words, for example: li-on (2 claps).
