

Laundry

Language Activity:

Hold up two items, label these and then ask your child: "Where's the _____"

Talk about the colours of the items.

Talk about concepts such as **ON/OFF** and let your child press the buttons.

Watch the washing machine **spin** and talk about the **water** making clothes **wet**.

Speech Activity:

Take turns to choose an item out of the washing basket and label it.

Talk about what sound is at the beginning of the word and both have a go at producing it.

Choose a couple of items and clap the syllables in the word, for example:

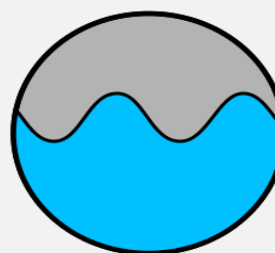

- **Water** = Wa-ter (2 claps)
