

Sensory Basket

What am I?

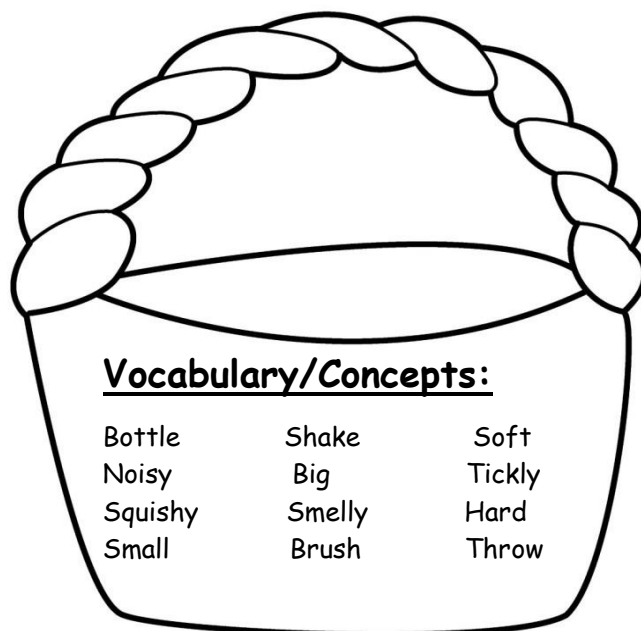

- I am a basket filled with everyday objects that your child will love to play with.
- I allow your child to explore objects from the real world and expand their sensory experiences.
- I encourage choice making as I offer your child a range of items to choose from.
- I can be used to support early language development.

Language Activity:

- Watch your child as they pick up items.
- Label each item as they pick it up. This will help your child learn the word through seeing the object and hearing its name.
- Provide a running commentary whilst your child is playing. For example:
"Bottle... up... shake, shake, shake...oh no....crash"

Equipment:

- Plastic bottle/Pasta
- Brush
- Bean bag
- Spoon
- Cloth
- Egg box
- Foil
- Sock
- Sponge
- Coaster
- Stick

Vocabulary/Concepts:

Bottle	Shake	Soft
Noisy	Big	Tickly
Squishy	Smelly	Hard
Small	Brush	Throw
