Radcliffe is full of so many great points of interest, historical sights and of course some of the best independent businesses.

But did you know it is all within walking and riding distance?

And what's even better is the positive impact that a short walk can have on your physical and mental health. Meeting new people is also an additional benefit - why not ask a neighbour to join you for just 20 minutes and see what you discover.

Take a look at our six routes to see just a few of the key locations and some short walking routes that you can use to see a little bit more of our wonderful Radcliffe and surrounding area.
