Childminders

As a childminder you could be thinking about how you will make the 30 hours work for you.

• Childminders can deliver all of the 30 hours FEEE
• It can be offered flexibly, for example 30 hours over 38 weeks or stretch the hours over more weeks
• Flexible packages can be offered between 6am and 8pm but no session can be longer than 10 hours.
• Childminders could offer wrap around care and pick up from other providers, working in partnership to support parents accessing the offer

• Know who your local providers are and talk to them about how you could support them in the delivery of 30 hours
• Check with your local planning department regarding any conditions attached to childminding from your home.
