

Short Breaks

Be a librarian

You will need:

Books/ magazines

A shelf or Boxes

Go for it...

1. Take all your books off the shelf and out of boxes. Collect them all together in the middle of the floor
2. Look at each book one at a time. Do you still love it? Or would it be better to give it another family, friend or a charity shop when they reopen?
3. Make 2 piles. A 'KEEP' pile and a 'GIVE' pile.
4. Now find a space to make your library.
5. Put your books away in a way that makes you happy.
6. You could organise them by: Colour? Size? Alphabetically? Topic?

Use old cardboard boxes to make storage

Make labels to help you find your favorite books

Create a special display area for your 'book of the week'

Barnardos
