a better life

Ed - 10 Years old "The help and advice on managing Ed's behaviour has been a really good thing for us. The continuation of visits has also given Ed something to look forward to and some routine." - Ed's mother.

Support delivered where you feel comfortable, including at home

Our Service

Positive Behaviour Support is a psychology led service, aiming to keep children and young people who are on the edge of care at home with their families/carers, and at their current school. The service involves understanding the child/young person and family as a whole.

Supporting you to rediscover family time and enjoy precious moments

Positive Behaviour Support

Proven techniques will support you to increase confidence and manage behaviour independently
