

BuryEST

Employment Support and Training

Hi, my name is Paul, and I am looking for a cleaning work placement/employment within Bury Council.

I am a very hard worker and I have worked in a warehouse cleaning, and I have also done cleaning at Mosses House which is a warden control place for the elderly and is part of Bury Council. Whilst I was doing cleaning jobs, I realised that these are my strengths in cleaning.

I am a very reliable person and I also work well in a team, and I can also work on my own and I know when to use my own initiative.

Hobbies are going out with friends and family in Bury, going to the cinemas and listening to music.

I also volunteer in Rochdale working in a warehouse packing food porch boxes and sending them out into the community, which I thoroughly enjoy doing.

Paul
