My Job...

I work with young people like you to find out how they learn, think and feel.

I like to find out what they are good at and what they want help with, to see what changes can be made to help them.

I am an "Educational Psychologist" but you can call me Michael 😊

What people like about me...

I'm easy to talk to
I like to make bad jokes
I am a good listener
I'm a good singer

What we might do...

When I come to meet you I will introduce myself and I'll talk to you about what we might do together.

We will have a chat about what is important to you.

We could also play games, draw pictures, make things or do some different kinds of work to find out more about you.

What happens if you don't want to work with me...?

If you have any worries, you could talk to an adult. If you really don't want to work with me, you don't have to! You, or a member of staff, can contact me if you have any questions before we meet, using my email:
