Cognition and Learning – parent/carer overview

Shape, Space & Measure I may need to: 1. Explore flat and solid shapes in the environment.

2. Cook, bake, weigh, use different size containers etc.

3. Use timers and practise telling the time.

Calculations

I may need to understand that:

1. A calculation is equal on both sides.

2. I can use the opposite calculation to check my work is correct.

Number

I may need to:

1. Practice counting e.g. objects; forwards and backwards.

2. Play any dice board games.

3. Practice jumping along/back on a numberline.

Maths

Multiplication & Division

I may need to practise:

1. Raps, rote learning, Apps, games arrays, interactive games.

2. Sharing things equally.

Number Bonds

I may need:

1. Lots of practice within and to 10 e.g 3+4 and 4+3 =7.

2. Practice to do the opposite e.g. 7-4 and 7-3.

Processing & Working Memory

I may need to:

Jot down numbers.
Have a question repeated.
Be given more time to think.
Talk through a problem out loud.
See an example of the stand to a

5. See an example of the steps to a problem.

I may need to:

Place Value

1. Know the value of tens and ones e.g two tens and no ones is 20.

2. Use blocks, Numicon, place value cards to support this.

Vocabulary

I may need to:

1. Learn the different words for addition and subtraction etc and use these when I am problem solving.
